

HOF Manager - Terms of Service & Privacy Policy

Terms of Service

Introduction

By using HOF Manager, you agree to these Terms of Service. If you do not agree, you may not use the bot.

Description of the Bot

HOF Manager is a Discord bot designed to manage clan-related activities and donations within MIR4 communities.

User Responsibility

Users are responsible for the accuracy of the data they provide and for complying with their own server's rules.

Limitations

The bot is provided 'as is' without warranty of any kind. We do not guarantee uptime or error-free performance.

Changes to the Service

We reserve the right to modify or discontinue any aspect of the bot at any time without prior notice.

Termination

We may terminate access to the bot for any user at any time, especially in cases of misuse.

Governing Law

These Terms are governed by the laws applicable in your jurisdiction.

Privacy Policy

Data Collection

HOF Manager collects limited data such as Discord user IDs, donation records, and character identifiers.

Use of Data

Collected data is used solely for tracking clan activities and is never sold or shared externally.

Data Retention

We retain data as long as necessary for functionality. Users may request data removal by contacting the bot admin.

User Control

Users can view their own data via available bot commands. Only server administrators can modify sensitive records.

Security

We implement standard security measures to protect stored data, but cannot guarantee absolute security.

Third-Party Services

HOF Manager does not integrate with third-party APIs or services that would share your data externally.

Contact

For concerns or data inquiries, please contact the bot administrator through the Discord server where the bot is active.
